Using the fixed route bus Riding the bus

1 Wait for the bus.

Confirm the bus destination, time and route at the bus stop.

2 Get on the bus from the boarding area.

When there are two doors on the bus you are boarding, please get on from the center door (rear). When there is only 1 door, please get on from that door.

3 Take a ticket from the numbered ticket issuing machine.

Take a ticket when getting on.
Some routes and areas do not have tickets. In these cases, you can get on the bus without taking a ticket.

4 Push the Stop button at your destination

Please push the Stop button when your bus stop is announced.

5 Confirm the fare on the fare chart.

Confirm the fare for the bus stop you are getting off at by matching the number on the ticket with the number shown on the fare chart in the front area of the bus.

6 There is a change machine attached to the fare payment machine.

Enter the bills or coins in the change machine attached to the fare payment machine when you need change. The change machine only accepts 1,000 yen bills. Please refrain from changing 2,000 yen, 5,000 yen and 10,000 yen bills. Only use the change machine when the bus is stopped.

7 Put your ticket and the fare in the fare payment machine.

When getting off at your destination put your ticket and the fare in the fare payment machine. Put your ticket in the machine without folding it so the driver can see it.

8 Get off the bus from the front doors.

Wait until the bus comes to a complete stop before standing up when getting off.
